Additionally, a person can vouch for the applicant. This person must have known the applicant for at least 2 years, be a US citizen or permanent resident and have a valid ID. They will need to accompany the applicant to the passport acceptance facility and complete a form DS-71 in front of the agent. The passport applicant must have some form of signature ID, such as a Social Security Card, credit card, bank card or library card. Please Note: The DS-71 can be used as additional documentation but DOES NOT constitute proof of ID alone.
